

Strategies to embed a culture of Child Safety at Lake Charm Primary School

IN COMPLIANCE WITH MINISTERIAL ORDER NO.870
Child Safe Standard 1

Lake Charm Primary School regards child safety a priority. Strategies and procedures are in place to ensure that students under our care are kept safe both within and outside our school; many of these strategies and procedures are contained within our policies. It is the role and responsibility of the Principal to ensure that the school's policies are adhered to, regularly reviewed and updated (see School Policy Review Schedule) by Staff and endorsed by School Council.

The following policies are to be read and adhered to by all staff (teaching, casual, administration and other), volunteers and parents working within the school:

- *Child Safety Policy*
- *Duty of Care Policy*
- *Emergency Management Plan*
- *External Providers Policy*
- *Facebook Policy*
- *First Aid Policy*
- *ICT Policy*
- *Mandatory Reporting Policy*
- *Student Welfare and Engagement Policy*

The above policies are available for Staff, Parents and Lake Charm Primary School community members to access. These policies are contained in hard copy in the Lake Charm Primary School Policy Folder (office) and online on the Staffroom Computer Desktop (Lake Charm Primary School VRQA completed Policies Folder). Hard copies can be provided upon request.

This document is to be presented and endorsed at School Council in September of every year. It should be included in the Lake Charm Primary School Policy Schedule to ensure it is reviewed annually.
