### **Principal's Message**

*Welcome back to everyone. It was lovely to catch up with the children this morning and hear about what they had been doing over the holidays.*

#### ***Class structure-***

*From Tuesday to Friday Michelle will teach the prep-2 in the mornings and I will teach the 3-5. Michelle will also be in attendance on Tuesday and Thursday afternoons. On Mondays all 10 students will work together. MARC Library will again be on Tuesday.*

#### ***Swimming***

*It is planned that we will conduct our swimming sessions in Kerang with Murrabit Primary as per last year. Swimming would be Wednesday to Friday 1pm to 2pm starting next week and would run for three weeks. We will be looking for assistance with transport.*

#### ***Schoolgrounds***

*The school grounds are looking great. Thanks to the Burrows family for their work mowing the grass.*

*The vegetable garden has lots of produce ready for harvest including eight large watermelons, rock melons, tomatoes and zucchinis.*

#### ***Breakfast Program***

*Lake Charm is part of the Victorian Government Breakfast Program. We have a range of breakfast cereals, milk, baked beans and fruit available for students. We are happy to provide your child with breakfast or lunch whenever they require it.*

## ***Lunch orders***

*Lunch orders start this week.*

## **What's happening in the classroom?**

### **Senior Room**

This week the students are developing their class rules and individual learning goals.

Our 2017 Reading diaries will hopefully arrive this week. During term 1 we do not have homework but all students are expected to

read each night if possible. Please monitor their reading and sign their book.

We are also studying the various historical and present day elements of Australia Day- including convicts and First European Settlement, including indigenous people's perspective.

### **Junior Room**

This term we are learning all about the sea/beach. If you have any shells, buckets, spades etc to add to our display that would be appreciated. We will be reading and writing about sea/beach and listening to stories/songs/video clips.

This year I will not be using a Reading Diary with the children. Instead we will use a diary for the spelling words, the reader will be listed and to be signed by a parent, and any communication between parents can be written in there and finally for you the parents to write in dates from the newsletter so your child knows when we are swimming/ on an excursion etc.

Please if you have any concerns about your child, feel free to contact me as soon as possible.

We officially welcome Paige to school and hope she enjoys her first year.

**Student banking will start on 21<sup>st</sup> February.**
