Principal's Message

Congratulations to James Sait and Hayley on the birth of their daughter on Monday. We can't wait for Mr.Sait to bring the baby to Lake Charm for show and tell.

Please continue to encourage family and friends to come along on the 31st May at 1pm for the Indonesian Cultural Extravaganza. The students will perform the traditional Indonesian Rqmayana, incorporating dance, music and acting.

On Thursday we will be travelling to Quambatook for the Leadership Day. The students will hear from various community leaders about what Leadership is, and will participate in a range of Leadership activities.

Last night's Information Evening was most enjoyable. Congratulations to the students on their presentations. All the families and friends of the school had a great time participating in a range of Dance, Science, Technology, IT and Mathematics activities.

On Friday we had the Responsible Pet Ownership program at Lake Charm. The students learnt a lot about being safe around pets and how to care for your pet. Bonnie the dog also seemed to enjoy himself.

The scrambled eggs on Friday was voted a great success. Congratulations to our celebrity cooks Bree and Tegan.

School Photos

School Photo day will be on Wednesday 1st June, 2016.

Each child MUST have their own envelope to hand to the photographer on the day.

Payment MUST be included in envelope, if you are placing payment for one child in another of your children's envelope, please indicate which student envelope contains the payment.

Please note that a separate envelope MUST be used for family photos. If you would like a family photo, PLEASE ensure that you return the Family envelope also. (No envelope, no photo will be taken.)

What's happening in the classroom

In Mathematics we are doing lots of Maths Games to improve our quick recall of basic number facts. The senior students have now started working on writing and publishing biographies. Earlier in the term each student interviewed a person, asking questions about their childhood. The students will use this information to produce biographies. In sport Mr.Cruikshank is developing our cricket skills.

Junior Room

Last Friday the Junior Room children took home a homework book. The homework tasks are designed to be completed by the child, with minimal help from an adult. (eg. The adult may read certain words). The homework tasks are not being used to teach the child a new concept, rather to revise or practice a concept. If you find your child is struggling with their homework tasks please contact me to let me know. (via the diary or phone or in person). Homework is due before school each Friday, but if your child chooses to do it all, over the weekend or before Friday, they can put it in the tub any day before Friday.

This Thursday we go to Quambatook. We will be doing our literacy and numeracy lessons with the four students from Ultima Primary School. We are looking forward to working with a bigger group and building friendships.

We cooked an array of roast vegetables for everyone on Friday 6th May

Adidas School Fun Run Last day of Term 3 Friday 9th September

Attached to this newsletter is a sponsorship form for those children that would like to get a head start. Children can also sign up for online fundraising. This means that people who live far away can sponsor children and pay with their credit card.

Go to <http://www.schoolfunrun.com.au/> then select Student Signup. Follow the on screen instructions and you will be given the information that sponsors will need. If you would like to do this but need help to set it up, contact Donna on Tuesday or Wednesday, who will be more than happy to help. Online fundraising is a great way to reach friends and family from afar.

CHICKNEWS

The school has 7 chickens and 5 of them lay eggs. We aren't getting many eggs because it is beginning to get colder. This Monday we only got 2 eggs but last Monday we got 11 eggs. The 2 younger chickens are getting pecked and bullied. Last Friday we had scrambled eggs and they were yummy. When we let the chooks out they dig up the garden so we put covers on the plants.
