Pupils of the Week

Congratulations to this week's recipients.

Tegan Cuthbert, Bree Cordina and Kate Whorwood for their achievement in being part of the successful Rurals' Netball team at the Lightning Premiership.

Also congratulations to Jukal and Jacob for helping make up the numbers to enable the Murray Plains to enter a football team.

Principal's Message

Lightning Premiership

The highlight of the week would have to be the success of the Rurals' Netball team at the Lightning Premiership on Friday. Tegan, Bree and Kate have put in a lot of practise and training in preparation for the event. Their efforts were well rewarded as all girls played well. Without Jacob and Jukal the Murray Plains team would not have had enough players to field a side. Thanks boys!

First Aid

Next Tuesday all the students will be attending a first aid information session at the Lake Charm Hall. The Ambulance Victoria program has been organised through the Lake Charm Mystic Park Senior Citizens Club.

School lunch

On Friday of next week we will be having an end of term lunch at the Lake Charm Shop. The students' lunches will be paid for from School Council fundraising. Parents and families are invited to attend. For non-students (eg. teachers) the meal cost will be \$6 a person (plus drinks).

Orders will need to be in by Tuesday 21st of June.

School End of term Meals

1/ Fish, salad and chips

2/Chicken, salad and chips

3/Beef snitzel, salad and chips

4/Chicken snitzel, salad and chips.

Drinks available (refer to lunch order list)

Students will need to pay for their own drinks.

What's happening in the classroom

The senior students will be completing their biographies this week. Our focus for writing will then switch to preparation for next terms Book Awards.

In Mathematics a major topic is decimals to thousandths. We are also putting a lot of effort into learning our times tables, especially eights and fours.

We are commencing our preparation for the Lion's Public Speaking competition which will be conducted next term.

In Reading we are enjoying the Horrible History books which the school has recently purchased.

Presently, Tegan is on top in our Spelling Challenge competition.

This week Jukal is our guest teacher. He will be teaching his class mates about fractions, especially how to add and subtract common fractions with different denominators, and how to simplify fractions.

Congratulations to Bree for being first to complete all set term 2 homework tasks.

On Tuesday the whole school had a visit from Doctor Gigi (Erin). Doctor Gigi read a book to the class about how to care for your teeth and afterwards she handed each student a free toothbrush and tube of toothpaste. Thank you Doctor Gigi!

Junior Room News

Our “Bear” theme is in full swing and thank you to all those who have brought in bears for our display. While many of the bears are Teddy Bears, we are actually learning about the many types of bears found around the world. Our writing genre is an information report so each student will learn about a specific type of bear, and then write an information report. In Maths we will use our bears for all sorts of measuring activities.

On Friday the “Little Cooks” of the Junior Room baked some beautiful cheese sticks, which were very very yummy.

More Gingerbread Man stories.....

I was behind a tree trying only to get some peace and quiet so I could chew chewing gum. Then I heard yelling so I wanted to investigate. ‘Aaaa gingerbread man, He looks so scrumptious I need to eat that GINGERBREAD MAN!!!!!!’ I had a plan... I came up to the river. “I can take you across the river, don’t be scared. I don’t like ginger bread!” After the ginger bread man climbed onto my back I slowly paddled across the river. The gingerbread man got wet and started to yell at me so I said, “Climb onto my head,” so he did. But in my head I had a cunning plan. He yelled again and I replied, “Climb onto my nose!” And then I tilted my head back and ate him. That was one yummy ginger bread. And now I am getting chased by the dog, cat, old woman, old man, a girl and a boy.

And everyone lived happily ever after, except for the ginger bread man.

I was sleeping when I woke up to the fresh smell of gingerbread. And I saw the gingerbread man with his beautiful raisin eyes getting chased away from town. As he reached the pond I saw him stop and look for help. It was at this moment that I came up with my cunning plan. I snuck out from behind the tree and approached the delicious gingerbread man. The gingerbread man

asked for my help and my plan came into play. He climbed on to my back and I started to cross the pond. I deliberately sank deeper into the pond so he would climb closer to my mouth and soon enough he had climbed onto my nose, close enough to eat, so I did. I gobbled him up just like a kid eating a hamburger. And then I swam to the other side of the pond and rested.
