- 16th Fun Run
- 16th Last day of Term – Early Dismissal 1:30pm

Pupils of the Week

Congratulations to this week's recipients.

Emily Burrows for Mathletics Mastery

Principal's Message

We have an exceptionally busy time over the next couple of weeks.

On Thursday morning we head off to Ultima Primary for our Sleepover and Australiana Cluster activity with Ultima and Quambatook. We will be arriving back at Lake Charm around 3pm on Friday.

On Wednesday 27th we are heading over to Kerang Central for the Arts Council Performance of 'The Fairest Of Them All'.

On Thursday 28th we will be returning to Ultima Primary for an Athletics Coaching Day.

We will be travelling by bus on each of these days.

The students are training hard for the Athletics Sports which are to be conducted in Kerang on the 25th of August. They are also preparing for the Book Parade on the 26th of August.

The senior students are practising their speeches in preparation for the Lions Club Public Speaking on Tuesday 26th. Parents, family and community members are encouraged to come and support the students. Hopefully we will start around 2 pm.

Parent Surveys

Parent Surveys have been attached to this newsletter. Please take some time to complete the survey and return to school no later than 29th July. A letter containing information about the surveys is also attached.

What's happening in the classroom

The senior students are practising their speeches in preparation for next Tuesdays Lions Club Public Speaking.

All the students are training hard in preparation for our Athletics and just to get fit.- They are running, jumping, throwing, hurdling and skipping.

The students are also working on publishing books for the Book Awards.

Junior Room

This term we are continuing to build up our fitness with daily skipping.

This will help us in the school sports which are only a month away. In the classroom we are finishing off our Bear Reports and other Bear work. In Maths we have been learning the Days of the Week. We are organising a special morning in August, where we hope to raise a little money for the

RSPCA and Jeans for Genes Day – so watch this space. The RSPCA Day involves baking cupcakes so anyone with a flair for baking cupcakes is very very welcome to help us out. We will let you know when we need your help. We have purchased some new sports shirts to wear on special outings (which will make us very noticeable!). Maybe we will wear them to Ultima on Thursday!

Book Club

Book Club Catalogues were sent home yesterday. Please note they are due back by Tuesday 26th July.

Student Banking

Congratulations to these School Banking savers!

Congratulations to the following students who have earned 10 silver Dollarmites tokens through the School Banking program. They are now eligible to redeem these tokens for an exclusive School Banking reward item!

Keigan

Keep making regular deposits for your chance to win one of the two Deposit Blitz prize packs on offer. Making regular deposits also puts you in the major draw for the Prize Lights Competition.

ARKIVE

By Keigan Gr.P

Polar Bears can swim.

Polar bears are mammals because the baby drinks milk from its mum. Polar bear mums often have twin babies.

POLAR BEARS

Polar bear mums hibernate for 3 months while they feed their newborn cubs.

They eat seals.

Polar bears are bigger than people.

Polar bears have got white fur.

They live in the arctic. It is very cold.

Polar Bears can eat people.
