Principal's Message

Swimming

Our regular swimming program concludes on Friday. It has been pleasing to see the improvement in our students' confidence in the water throughout the program. Thank you to all our parents for your support in transporting our students to and from the pool.

Congratulations to Bree and Kate for being selected to participate in the Zone Trials last Monday. On the 26th we will be heading to Quambatook by bus for a small schools group day with Ultima and Quambatook. Students will need their bathers for this day as we will be participating in fun pool activities. We will be travelling by bus and there will be no cost, as the day is paid through our Equity Funding.

Students write for Guardian

Please try to buy a copy of Wednesday's Swan Hill Guardian as Jacob, Tegan and Bree wrote an article which will be featured in the paper. Thank you to the Guardian for encouraging this initiative.

School Council

School Council nominations are being sent home with this newsletter. Vanessa and Katrina finish their terms this term. Please have nomination forms returned to school by Wednesday of next week (24th). If we have more than two nominations for the parent vacancies we will conduct an election.

PUPIL OF THE WEEK

Congratulations to Jeff Gillingham on his being honoured by the Lake Charm Primary 'Student of the Week' Award for his work with the water pumps last week. Jeff was presented with his award by Grade 6 student, Tegan.

Our five resident chooks are enjoying the food and attention they get during the day but unfortunately we are yet to see an egg on the menu.

Student Voice

“Once upon a time a nice young Queen, she lived in a wood. One day the Queen went for a walk in the wood and she saw a well. Whoops she fell down, and she yelled HELP. Just then a King came riding on his horse and heard the Queen yelling. He rushed over to the well. The Queen said Thank You and the King got the Queen out and they lived happily ever after.”

LUNCH ORDERS - THURSDAYS

We will be commencing weekly lunch orders next week after swimming has concluded.

Lunch orders need to be left at the school by Thursday morning.

See attached Price List

School Banking

Don't forget banking this year. We will run an activity or two this year and there will be some prizes to give out. School banking is a great way for children to learn the importance of saving.

Remember, banking day is **Tuesday**, the next banking day will be **23rd February**.

School Nurse Visit

Kerrie McCosh, primary school nurse, will be visiting our school on March 11th 2016. The purpose of this visit is to undertake health assessments and discuss health concerns that parents and/or teachers may have with their children/students.

Prep Health Assessments: All parents of prep grade children will be requested to complete a Health Questionnaire and return the form to the school before March 10th 2016.

Referrals (All Grades): Parents and/or teachers may refer children from any grade for assessments of vision, hearing, basic speech, physical abilities, medical conditions, behavioural and parenting issues. Please collect a referral form from the school office. Completed forms are to be handed into the school office prior to March 10th 2016. Should parents wish to have an interview with the School Nurse, please indicate your request on the form.

Please note: You can talk to the school nurse at any time throughout the year. The school has her mobile phone number.
